FLOOR DEBATE

February 14, 2006 LB 818

SENATOR CUDABACK: Thank you. Further discussion on E & R amendments? There's been a motion to adopt the E & R amendments. All in favor say aye. Opposed, nay. They are adopted. Mr. Clerk.

CLERK: Senator Burling would move to amend, AM2258. (Legislative Journal page 642.)

SENATOR CUDABACK: Senator Burling, to open on your amendment, AM2258.

SENATOR BURLING: Thank you, Mr. President, members of the body. AM2258 is the one that we talked about putting on here on General File when we discussed this bill a week ago yesterday. We talked about putting this amendment on Select File, and this is what it does. It calls for the sponsor of the race to submit an approved tire disposal plan to the DEQ before the race is held, with one exception. The exception is, in this amendment here, the race that will be held in Adams County in July must file their approval tire disposal plan before January 1, '07. Any entity sponsoring a race after October 1, '06, needs to submit their tire disposal plan to DEQ for approval before the race. So this amendment makes sure that the plan of disposal is submitted. One race coming up in July this year doesn't have to submit their plan until January 1, '07. Everybody else that has a race after October 1 would have to submit their plan before the race. And then the amendment goes on and calls for the fact that if the operation ceased to exist or goes out of business or decides to quit using tires for safety barriers, then they have to dispose of them in accordance with a plan that they submitted to the DEQ. So that's the motion. It's the one we said we'd bring. And so I ask for your support of AM2258. Thank you, sir.

SENATOR CUDABACK: Thank you, Senator Burling. You've heard the opening on AM2258, offered by Senator Burling to LB 818. Open for discussion. Senator Preister.

SENATOR PREISTER: Thank you, Honorable President, friends all. I appreciate Senator Burling working on this amendment, as well
